Wednesday 04.06.2014

- ❖ Welcome remarks and presentation of the day's program by Tatjana Abegglen.
- ❖ Anders Åstorm presented the Protocol from the previous meeting held in Klagenfurt, Austria.
- ❖ The following questions were raised during the meeting:
 - What are the future challenges for this project?
 - Who is going to put together a summary of these challenges so it could be included in the SAME website?These would be discussed further during the last meeting on Friday (06.04).

Thursday 05.06.2014

- ❖ Visit to VHS Biel was arranged. This is a training school for migrants and also where the teachers learn pedagogical methods.
- ❖ Visit to a Migrant Centre in Biel was also arranged in the afternoon.

Friday 06.06.2014

- ❖ The students from France were given a task to interview local Swiss people. They have to find out if the interviewee could distinguish the difference between the French spoken in Switzerland and in France. It has to be reported back to the group at the end of the activity.
- ❖ Franziska Piedmont presented the "Final Report" and went through it line by line with the rest of the participants.
- ❖ Franziska will send everyone by mid-August a guide for each partner-country to use when completing their own report. Deadline for submission is 30th of September 2014.
- ❖ The following templates are still missing in the SAME Website:
 - *Migrant Situation*: from France and Turkey
 - *Training for Migrants*: from France and Turkey
 - *Tools*: from Switzerland, Turkey and Germany

The above should be sent to Pierre Carrolaggi by email. All templates should be properly labeled so Pierre would know to which link it should be uploaded.

Deadline for submission is 26th of August 2014.

All Mobilities should be completed by end of July.

- ❖ It has been agreed that an additional link on “*Challenges for the Future*” will be added in the **SAME** Website. The summary will be put together by Anders Åstrom.
- ❖ Tatjana Abgglen discussed with the group and demonstrated how the **European Shared Treasure** Website works, specifically for the link “*Visualisation Highlights in Language Teaching*”.
- ❖ The students from France reported back to the group their observation. According to them there is a significant difference between Swiss-French and France French.
- ❖ Meeting has been adjourned at 12 noon.
